FIFTEENTH SUNDAY IN ORDINARY TIME JULY 16, 2017

Hear then the parable of the sower. When any one hears the word of the kingdom and does not understand it, the evil one comes and snatches away what is sown in his heart; this is what was sown along the path. As for what was sown on rocky ground, this is he who hears the word and immediately receives it with joy; yet he has no root in himself, but endures for a while, and when tribulation or persecution arises on account of the word, immediately he falls away. As for what was sown among thorns, this is he who hears the word, but the cares of the world and the delight in riches choke the word, and it proves unfruitful. As for what was sown on good soil, this is he who hears the word and understands it; he indeed bears fruit, and yields, in one case a hundredfold, in another sixty, and in another thirty."

The parables of Jesus will enlighten us if we approach them with an open mind and heart, ready to let them challenge us. If we approach them with the conviction that we already know the answer, then we, too, may look but not see, listen but not understand. God's word can only take root in a receptive heart that is ready to believe and willing to submit. Do you submit to God's word with trust and obedience?

One lesson from this parable is clear: the harvest is sure to come. While some seed will fall by the wayside and some fall on shallow ground and never come to maturity, and some be choked to death by the thorns; nonetheless a harvest will come. The seed that falls on good soil, on the heart that is receptive, will reap abundant fruit. God is always ready to speak to each of us and to give us understanding of his word. Are you hungry for his word? And do you allow anything to keep you from submitting to God's word with joy and trusting obedience?

Eucharistic Adoration is the 1st Sunday of the month at Annunciation. AUGUST 6: 11:30 a.m.-5:30 p.m.

**July Intentions of Pope Francis:
Lapsed Christians**

That our brothers and sisters who have strayed from the faith, through our prayer and witness to the Gospel, may rediscover the merciful closeness of the Lord and the beauty of the Christian life.

MARRIAGE MINUTE

Have the "thorns" of life "choked" the joy out of your marriage?

Sometimes the love we felt in the beginning gets crowded out by the demands of work, family and children. If this is where you find yourself, consider getting back to the basics:

- Think of a time when you felt most in love. What actions did you do? (Talk for hours, give compliments, hold hands, give thoughtful gifts, go on dates, etc...)
 - How can you do those actions right now in your current situation?
 - Make a specific commitment to do one of these things each day.
- For more tips on making your marriage "fertile ground," register today for an enrichment!
