**SIXTEENTH SUNDAY IN ORDINARY TIME  
JULY 23, 2017**

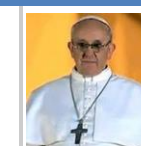

*Then he left the crowds and went into the house. And his disciples came to him, saying, "Explain to us the parable of the weeds of the field." He answered, "He who sows the good seed is the Son of man; the field is the world, and the good seed means the sons of the kingdom; the weeds are the sons of the evil one, and the enemy who sowed them is the devil; the harvest is the close of the age, and the reapers are angels. Just as the weeds are gathered and burned with fire, so will it be at the close of the age. The Son of man will send his angels, and they will gather out of his kingdom all causes of sin and all evildoers, and throw them into the furnace of fire; there men will weep and gnash their teeth. Then the righteous will shine like the sun in the kingdom of their Father. He who has ears, let him hear."*

*Good and evil are sown in our hearts like tiny seeds which germinate, and in due time yield a harvest of good or bad fruit. Charles Read said: "Sow an act and you reap a habit. Sow a habit and you reap a character. Sow a character and you reap a destiny." In the day of judgment each will reap what he or she has sown in this life. Those who sow good will shine in the kingdom of their Father. They will radiate with the beauty, joy, and fullness of God's love. Do you allow the love of Christ to rule in your heart and in your actions?*

**Eucharistic Adoration is the 1st Sunday of the month at Annunciation. AUGUST 6: 11:30 a.m.-5:30 p.m.**

**MARRIAGE MINUTE**

How do you deal with the weeds in your marriage?

Each one of us is a mixture of "weeds" and "wheat," vice and virtue, annoying and endearing qualities. In marriage, we have the opportunity to help one another improve the ratio. Surprisingly, this is most efficiently done not by pulling at the weeds, but by nurturing the wheat. When we focus our attention on our spouse's good qualities (and share that with them!), two things happen:

- They begin to rise to the good we see in them, so the good grows.
- We are paying such close attention to the good that we don't notice the bad as much.
